(2) Subsection (1) shall not apply to persons with disabilities or other persons requiring the use of such vehicles as may be necessary for their means of mobility.

49. Those parts of highways set out in Column 1 of Schedule 18, having been divided into clearly marked lanes for traffic between the limits set out in Column 2 and Column 3 of Schedule 18, designated for travel only in the direction set out in Column 4 of Schedule 18, are reserved for the use of bicycles only.

50. Where a lane of a highway has been reserved for the use of bicycles only, no person shall,

- (a) drive a vehicle other than a bicycle in such lane; or
- (b) stop or park a vehicle in such lane other than an emergency vehicle or public utility emergency vehicle, or a vehicle actually engaged in works undertaken for or on behalf of any municipal corporation, including public transit vehicles and waste collection vehicles.

51. Persons operating bicycles upon a roadway shall ride in single file.

52. A person operating a bicycle upon a roadway shall ride as near to the right hand side of the roadway as practicable and shall exercise due care when passing a standing vehicle or one proceeding in the same direction.

53. No person riding a bicycle to carry anything thereon shall do so in such a manner as to prevent, or interfere with, full control of such bicycle while upon any highway.

54. No person shall leave a bicycle lying on any public sidewalk, or park, or leave such bicycle against any window, or in front of or across any door, stairs or entranceway to any building so as to obstruct or interfere with ingress to or egress from such building.

### **Designated Turn Lanes**

55. The highways set out in Column 1 of Schedule 19, between the limits set out in Column 2 of Schedule 19, in the lanes set out in Column 3 of Schedule 19, during the times set out in Column 4 of Schedule 19, and in the directions set out in Column 5 of Schedule 19 are designated turn lanes.

### **Community Safety Zones**

56. The highways or portions thereof set out in Column 1 of Schedule 20 between the limits set out in Column 2 of Schedule 20 and during the times set out in Column 3 of Schedule 20 are designated as community safety zones.

### **Municipal Safety Zones**

57. (1) In this section, "municipal safety zone" means that part of the highway and the fire route connected to that part of the highway where parking and stopping restrictions are in force and where all applicable fines for parking and stopping are doubled.

(2) The highways set out in Column 1 of Schedule 21, between the limits set out in Column 2 of Schedule 21, on the side set out in Column 3 of Schedule 21 and during the times or days set out in Column 4 of Schedule 21 are designated as municipal safety zones.

### **Enforcement**

58. Every person who contravenes any provision of this by-law is guilty of an offence and upon conviction is liable to a fine for each offence as provided for in the *Provincial Offences Act*, R.S.O. 1990, c. P.33. For purposes of this section, a separate violation shall be deemed to have been committed for each and every day during which any such contravention continues, and conviction in respect of a contravention shall not operate as a bar to further prosecution if such contravention continues.

59. Part II of the *Provincial Offences Act* applies in respect of all parking infractions under this by-law.

60. Any Officer, upon discovery of any vehicle parked or stopped in contravention of this by-law, may cause it to be moved or taken to and placed or stored in a suitable place and all costs and charges for removing, care and storage thereof, if any, are a lien upon the vehicle, which may be enforced in the manner provided by the *Repair and Storage Liens Act*.

61. Where a vehicle has been parked or stopped in contravention of this by-law, the owner of the vehicle, notwithstanding that the owner was not the driver of the vehicle at the time of the contravention, is guilty of an offence unless, at the time of the offence, the vehicle was in the possession of some person other than the owner without the owner's consent.

62. For the purposes of this by-law, where a number plate issued pursuant to the HTA is exposed on a vehicle, the holder of the permit corresponding to such plate shall be deemed to be the owner of that vehicle and, if such vehicle is found in contravention of this by-law, the owner shall be guilty of an offence unless the number plate was used without the owner's consent.

63. The provisions of this by-law may be enforced by any Officer.

### **Application**

64. This by-law applies to all highways under the jurisdiction of the Municipality and, where applicable, to Municipal property and private property.

65. This by-law shall not, if compliance therewith would be impracticable, apply to,

- (a) emergency vehicles or public utility vehicles;
- (b) vehicles actually engaged in works undertaken for or on behalf of any municipal corporation; or
- (c) vehicles actually forming part of a funeral procession for as long as may reasonably be required for the purpose of such funeral.

66. This by-law shall come into force and take effect on the date that the Chief Judge of the Ontario Court (Provincial Division) approves set fines for offences under this by-law.

67. Sections 14, 15, 18.1, 21, 22, 23, 24, 35, 36, 38, 39, 45, 46, 47, 56 and 57 shall not be effective unless authorized signs that clearly indicate the regulation or prohibition have been erected.
